

# Lane Etiquette

Lane swimming is a popular activity and our lanes do become busy at times. Courtesy and common sense will ensure swimmers of all abilities benefit from their swim.

## First time at the pool?

Our lifeguard staff will help make your first visit a smooth one.

- The lanes are marked by activity level.
- Follow directional arrows to avoid collision.
- Please use the lane that fits your ability.
  
- When swimming lengths, continuous swimming is encouraged
- Leave plenty of room at the end of the lane for turning swimmers
- When entering a lane, give right of way to current swimmers
- Speed of the lanes is determined by the majority of the swimmers in the lane
  - If you find you are a much faster/slower swimmer, please move to another lane.
  - Allow faster swimmers to pass you - preferably at either end of the lane.
  - Please move to a slower lane for your warm up or cool down.

A lifeguard may recommend you move to another lane - please comply as this will make everyone's swim safer and more enjoyable
