MAP 2: VACANT LAND SITES BY CHARACTER AREA.....	12

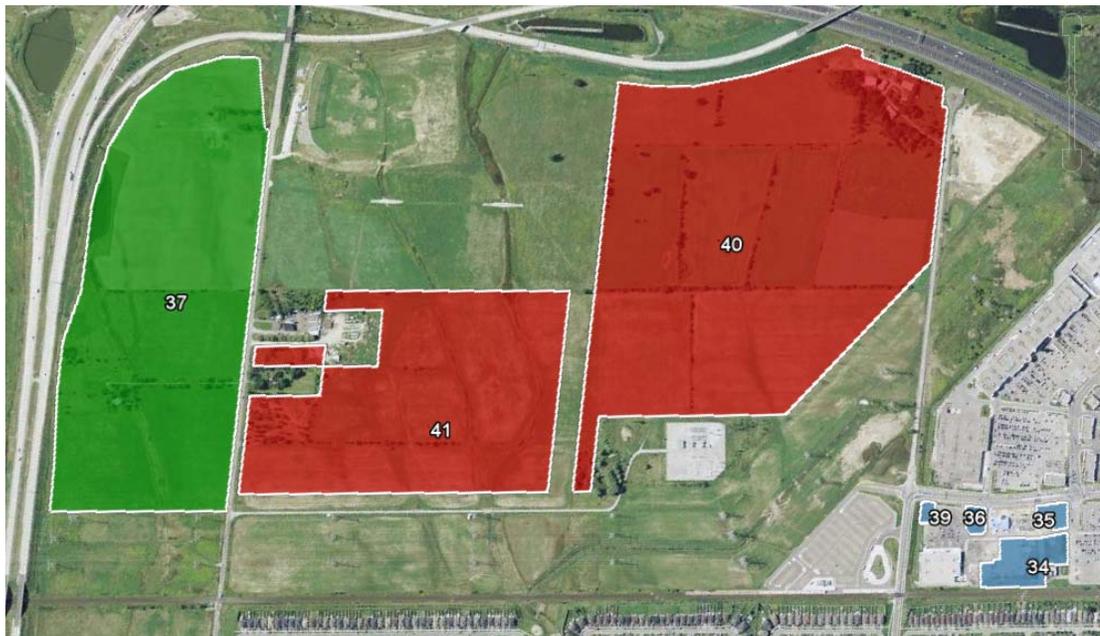

1.0 EXECUTIVE SUMMARY

- The total area of vacant sites is 1 308.3 hectares (3,232.8 acres) which comprises 4.5% of the City of Mississauga.
- There are 536 vacant land sites. Of the total 536 vacant sites, only 13 vacant sites are larger than 20 hectares (49 acres), and 396 (74%) are smaller than 2 hectares (4.9 acres). There are 225 vacant sites less than 0.4 ha (0.99 acres).
- The combined area of vacant lands in Wards: 2, 5, 9 and 11 is 904 hectares (2,234 acres), which represents approximately 70% of the total vacant lands in the City.
- The combined area of vacant lands located in the Employment Areas and Corporate Centres is 973 hectares (2,403 acres), which represents 74% of the total vacant lands in the City.
- Proportions of the vacant land area and total land area are the highest in the Special Study Area – (Former Milton Lands) (25.5%), Major Nodes (20.1%) and Corporate Centres (18.5%).
- The percent of the vacant land area to total land area in the Gateway Corporate Centre is 31.6%
- The total area of vacant lands designated Business Employment and Industrial is 936 hectares (2,313 acres). This represents an observed decrease of 9 hectares (22 acres) or 0.9% since 2010.
- The total area of vacant lands within an environmental area identified in the City's Natural Area Survey (NAS) is 82 hectares (203 acres), which represents 6% of the total vacant lands in the City.

2.0 NEW FEATURES OF THIS REPORT

This report replaces the “Vacant Employment Lands” report which has been released in prior years. Due to client demands, and in an effort to modernize and improve the usability of this report, we have implemented the following changes:

1. All Vacant Lands:
This year 2011 Vacant Lands Report now includes all vacant lands. This is a significant change from past publications where vacant lands only within employment areas were reported.
2. New Interactive Map:
We have created an Interactive Vacant Lands Map (including full attributes of each site) that can be viewed in Google Earth or software that is compatible with KML. To download and visualize this interactive map visit our website at: www.mississauga.ca/data (navigate to the Open Data & Publications Catalogue).

3. Changes to City Structure:
Character Areas from our proposed new Mississauga Official Plan now replace Planning Districts from the Mississauga Plan. The 2011 Vacant Lands report now reflects statistics summarized by our new Character Areas. Please refer to Appendix 1 for a description of the changes to the city structure.
4. New Statistics by Ward:
In addition to providing statistics summarized by City Structure we are also providing statistics summarized by ward.
5. Non-Conforming Uses:
Non - Conforming Uses which have previously been reported on Business Employment and Industrial designated lands in the Mississauga Plan have been

removed in this report. Non-conforming uses will be the subject of a proposed separate report (pending resource availability).

6. Vacant Buildings:

Vacant buildings have been removed from this report.

7. Changes to Designated Land Use Codes:

The proposed new Mississauga Official Plan contains new land use designations.

We are providing both the new and old Land Use Designations in this report. Please refer to Appendix 2 for a summary of the changes to land use designations.

3.0 INTRODUCTION

This report presents information on the location and size of vacant lands in the City of Mississauga.

The reason for collecting information on vacant lands in the City of Mississauga is to:

- Assist businesses in locating in the City, for economic development purposes;
- Help with planning for residential development;
- Monitor and develop strategic and planning policies;
- Forecast growth and plan for future needs and services, and
- Update the database of a vacant lands inventory that is used as an input to our growth forecast.

The information provided by the online documents is only for convenience and SHOULD NOT BE USED AS AN AUTHORITY ON WHICH TO BUY REAL ESTATE, FINALIZE DEVELOPMENT PROPOSALS OR SEEK BUILDING PERMITS.

4.0 METHODOLOGY

Vacant status of land parcels was confirmed through the Existing Land Use Survey that was conducted during the fall of 2010. Following the site visits, the database was updated with current information on development applications, issuance of building permits and property parcel sizes as of January 2011. Information has also been updated to reflect amendments to the Official Plan and to the Zoning By-law, based on approved Official Plan Amendment and Rezoning applications.

The selection of vacant lands identified in this report was based on land use designation, as outlined in the new Mississauga Official Plan. All vacant sites greater than 200 m² (0.05 acres) with designations that permit industrial, retail or residential developments are included.

In previous years, some large undeveloped portions of properties with existing employment buildings were identified as vacant. These portions of those properties are included in this report; however residential lots with large undeveloped portions are not included. Residential parcels only partially developed require examination through site checks and analysis of approved development plans. Where applicable, existing land use codes may need to be changed from residential to vacant. This exercise will be done in the future (pending resource availability) and residential infill lands will be included in vacant lands reports. Infill lands may provide future opportunities for expansion of the existing use or for intensification.

This report also includes all vacant sites that are subject to a development proposal, but the approval process of development applications has not been completed.

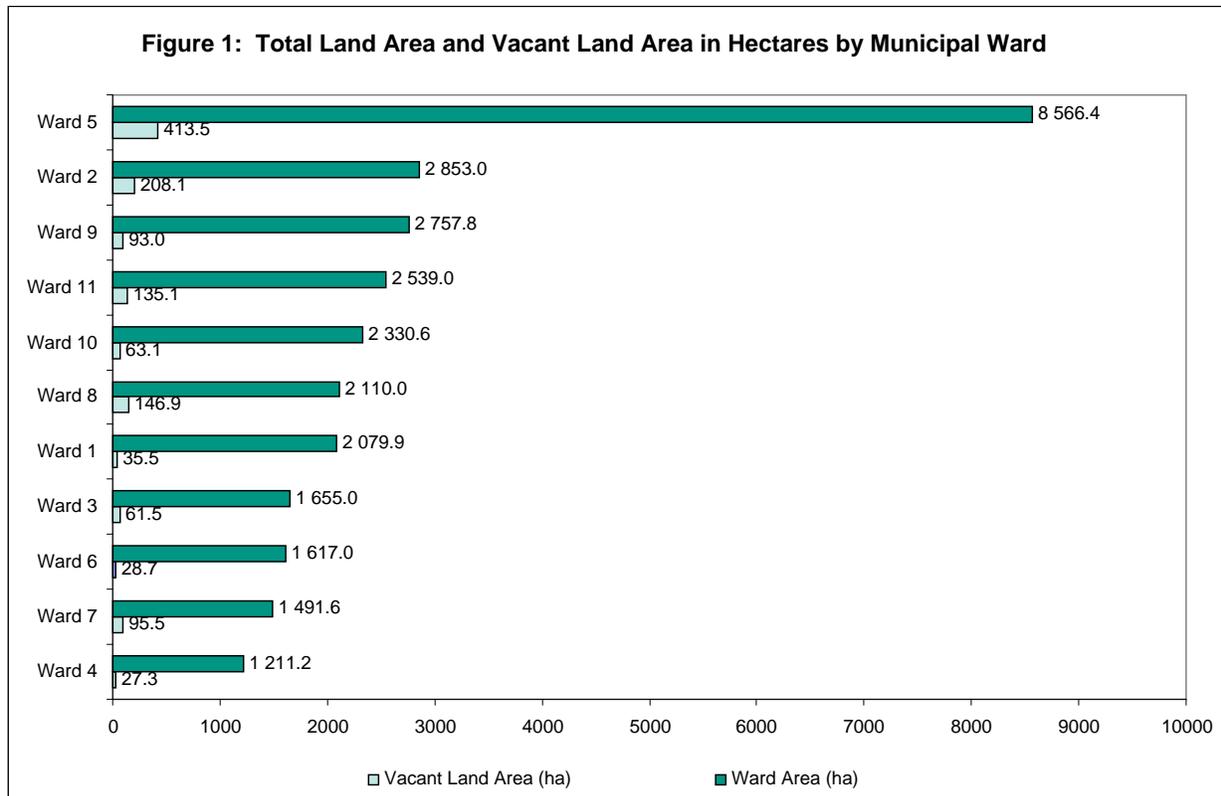

5.0 VACANT LAND STATISTICS BY WARD

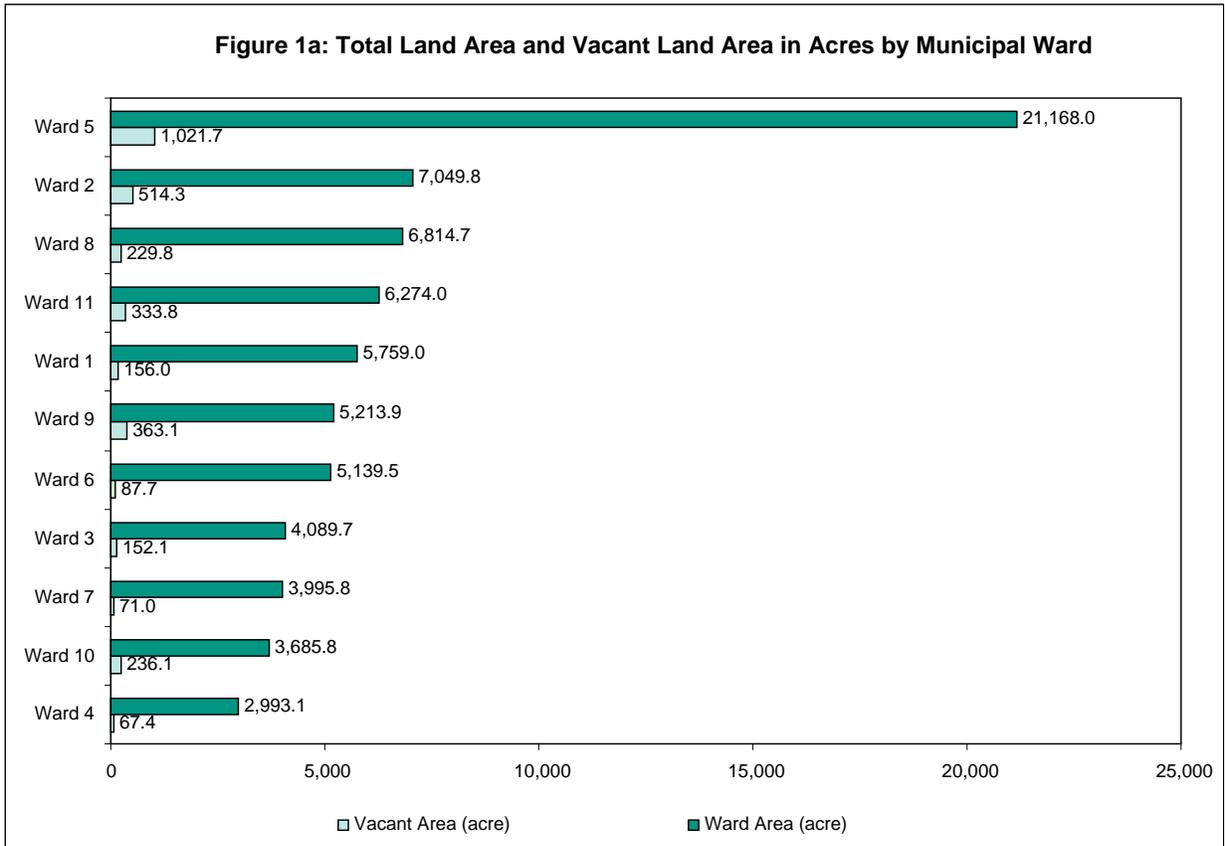

The total area of vacant lands is 1 308.26 hectares (3,232.78 acres), 4.5% of the total land area in the City of Mississauga. The area of vacant lands by municipal Ward is shown in Table 1.

Ward Number	Ward Area (ha)	Ward Area (acre)	Vacant Area (ha)	Vacant Area (acre)	Percentage of Vacant
Ward 1	2 330.57	5,758.97	63.13	156.01	2.7%
Ward 2	2 852.97	7,049.84	208.14	514.33	7.3%
Ward 3	1 655.05	4,089.71	61.54	152.06	3.7%
Ward 4	1 211.25	2,993.06	27.26	67.37	2.3%
Ward 5	8 566.38	21,167.99	413.45	1,021.66	4.8%
Ward 6	2 079.90	5,139.54	35.50	87.71	1.7%
Ward 7	1 617.04	3,995.79	28.72	70.97	1.8%
Ward 8	2 757.82	6,814.73	92.98	229.76	3.4%
Ward 9	2 109.98	5,213.87	146.93	363.08	7.0%
Ward 10	1 491.58	3,685.78	95.53	236.07	6.4%
Ward 11	2 539.00	6,273.99	135.07	333.76	5.3%
Total	29 211.54	72,183.28	1 308.26	3,232.78	4.5%

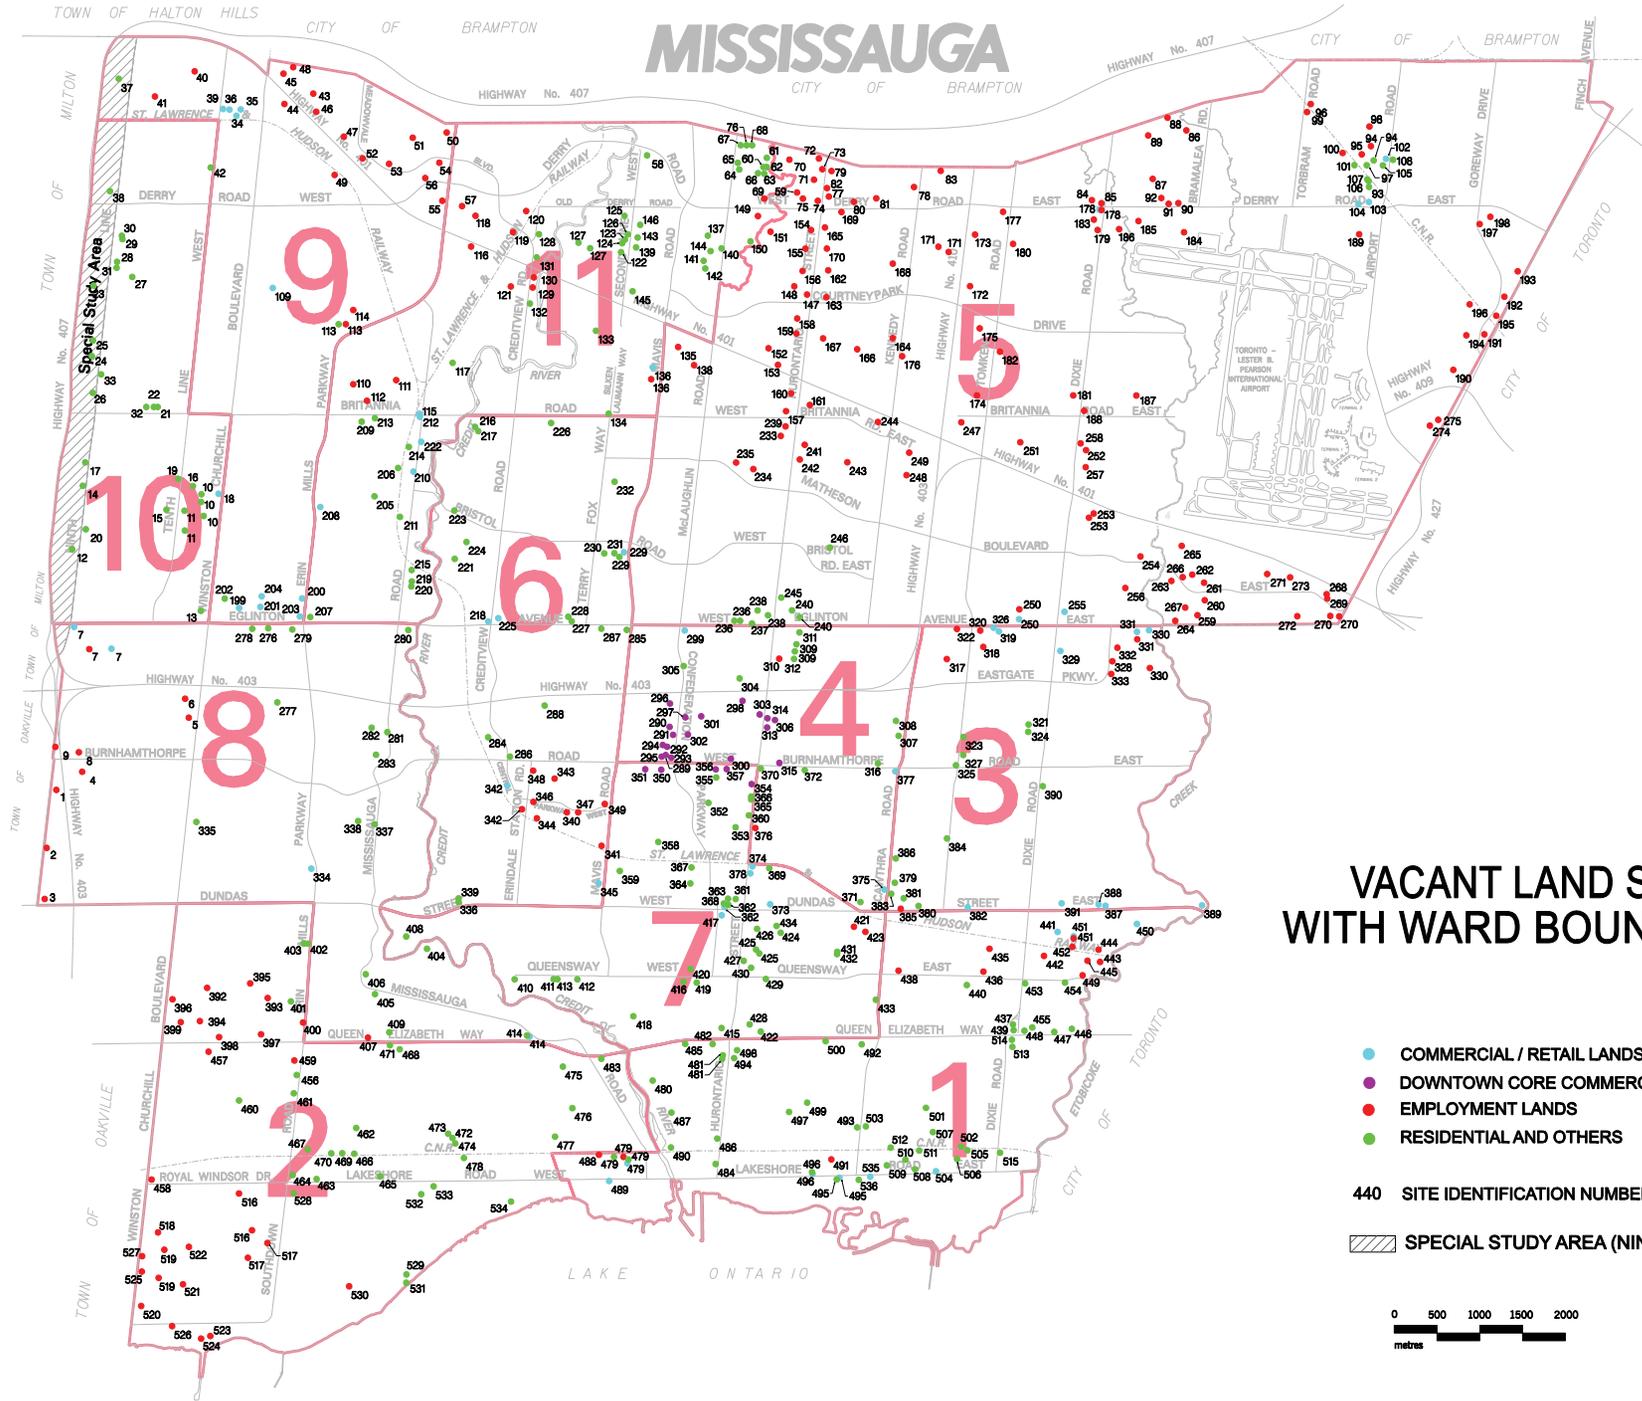

Numbers may not total due to rounding

Figures 1 and 1a illustrate the area of vacant lands compared to the area of municipal Wards.

MARCH 2011

The wards with the largest amounts of vacant lands are Ward 5, Ward 2, Ward 9 and Ward 11. The combined area of vacant lands in these four Wards is 904 hectares (2,234 acres) which represents approximately 70% of the total vacant lands in the City.

Figure 2 illustrates the percentage distribution of vacant employment lands by municipal Ward.

The total number of vacant sites in the city is 536. Ward 5 has the largest number of vacant sites. The 134 vacant sites in this Ward represent 25% of the total vacant sites in the city. Table 2 shows the number of vacant sites in each Ward by size.

Ward Number	> 0.02 ha (0.05 ac)	>= 2 ha (4.9 ac)	>= 4 ha (9.9 ac)	>= 8 ha (19.8 ac)	>= 20 ha (49.4 ac)	Total
	< 2 ha (4.9 ac)	< 4 ha (9.9 ac)	< 8 ha (19.8 ac)	< 20 ha (49.4 ac)		
Ward 1	51	3	4	1	0	59
Ward 2	40	4	2	5	4	55
Ward 3	25	3	0	1	1	30

Ward 6	26	2	2	1	0	31
Ward 7	44	4	0	0	0	48
Ward 8	19	3	3	2	1	28
Ward 9	17	7	2	0	3	29
Ward 10	15	4	3	4	0	26
Ward 11	50	8	0	2	2	62
Total	396	68	31	28	13	536

Table 3 shows the breakdown of vacant sites that are less than 2 hectares (4.9 acres) by Ward and size ranges. Approximately 57% of small vacant sites are less than 0.4 ha (0.99 acres).

Ward Number	> 0.02 ha (0.05 ac)	>= 0.4 ha (0.99 ac)	>= 0.8 ha (1.98 ac)	>= 1.2 ha (2.97 ac)	>= 1.6 ha (3.95 ac)	Total
	< 0.4 ha (0.99 ac)	< 0.8 ha (1.98 ac)	< 1.2 ha (2.97 ac)	< 1.6 ha (3.95 ac)	< 2 ha (4.9 ac)	
Ward 1	34	9	5	2	1	51
Ward 2	31	4	2	3	0	40
Ward 3	15	10	0	0	0	25
Ward 4	15	4	8	3	2	32
Ward 5	29	20	13	11	4	77
Ward 6	15	4	3	2	2	26
Ward 7	31	7	2	2	2	44
Ward 8	11	3	3	1	1	19
Ward 9	4	2	3	6	2	17
Ward 10	12	1	0	2	0	15
Ward 11	28	11	3	5	3	50
Total	225	75	42	37	17	396

Please refer to Appendix 4 for a map of vacant sites by Ward.

6.0 VACANT LAND STATISTICS BY CHARACTER AREA

The area of vacant lands by City Structure Element is shown in Table 4

Character Area Class	AREA of Character Area (ha)	AREA of Character Area (acre)	Vacant Site Area (ha)	Vacant Site Area (acre)	Percentage
Community Node (CN)	416.12	1,028.25	5.51	13.63	1.3%
Corporate Centre (CC)	2 210.56	5,462.41	408.33	1,009.01	18.5%
Downtown (DT)	558.63	1,380.41	35.68	88.18	6.4%
Employment Area (EA)	7 050.42	17,421.98	564.25	1,394.30	8.0%
Major Node (MN)	219.63	542.72	44.07	108.91	20.1%
Neighbourhood (NHD)	16 466.35	40,689.24	161.25	398.45	1.0%
Special Purpose Area (SPS)	1 938.69	4,790.62	0.00	0.00	0.0%
Special Study Area	350.11	865.15	89.15	220.29	25.5%
Total	29 210.53	72,180.79	1 308.26	3,232.78	4.5%

Numbers may not total due to rounding

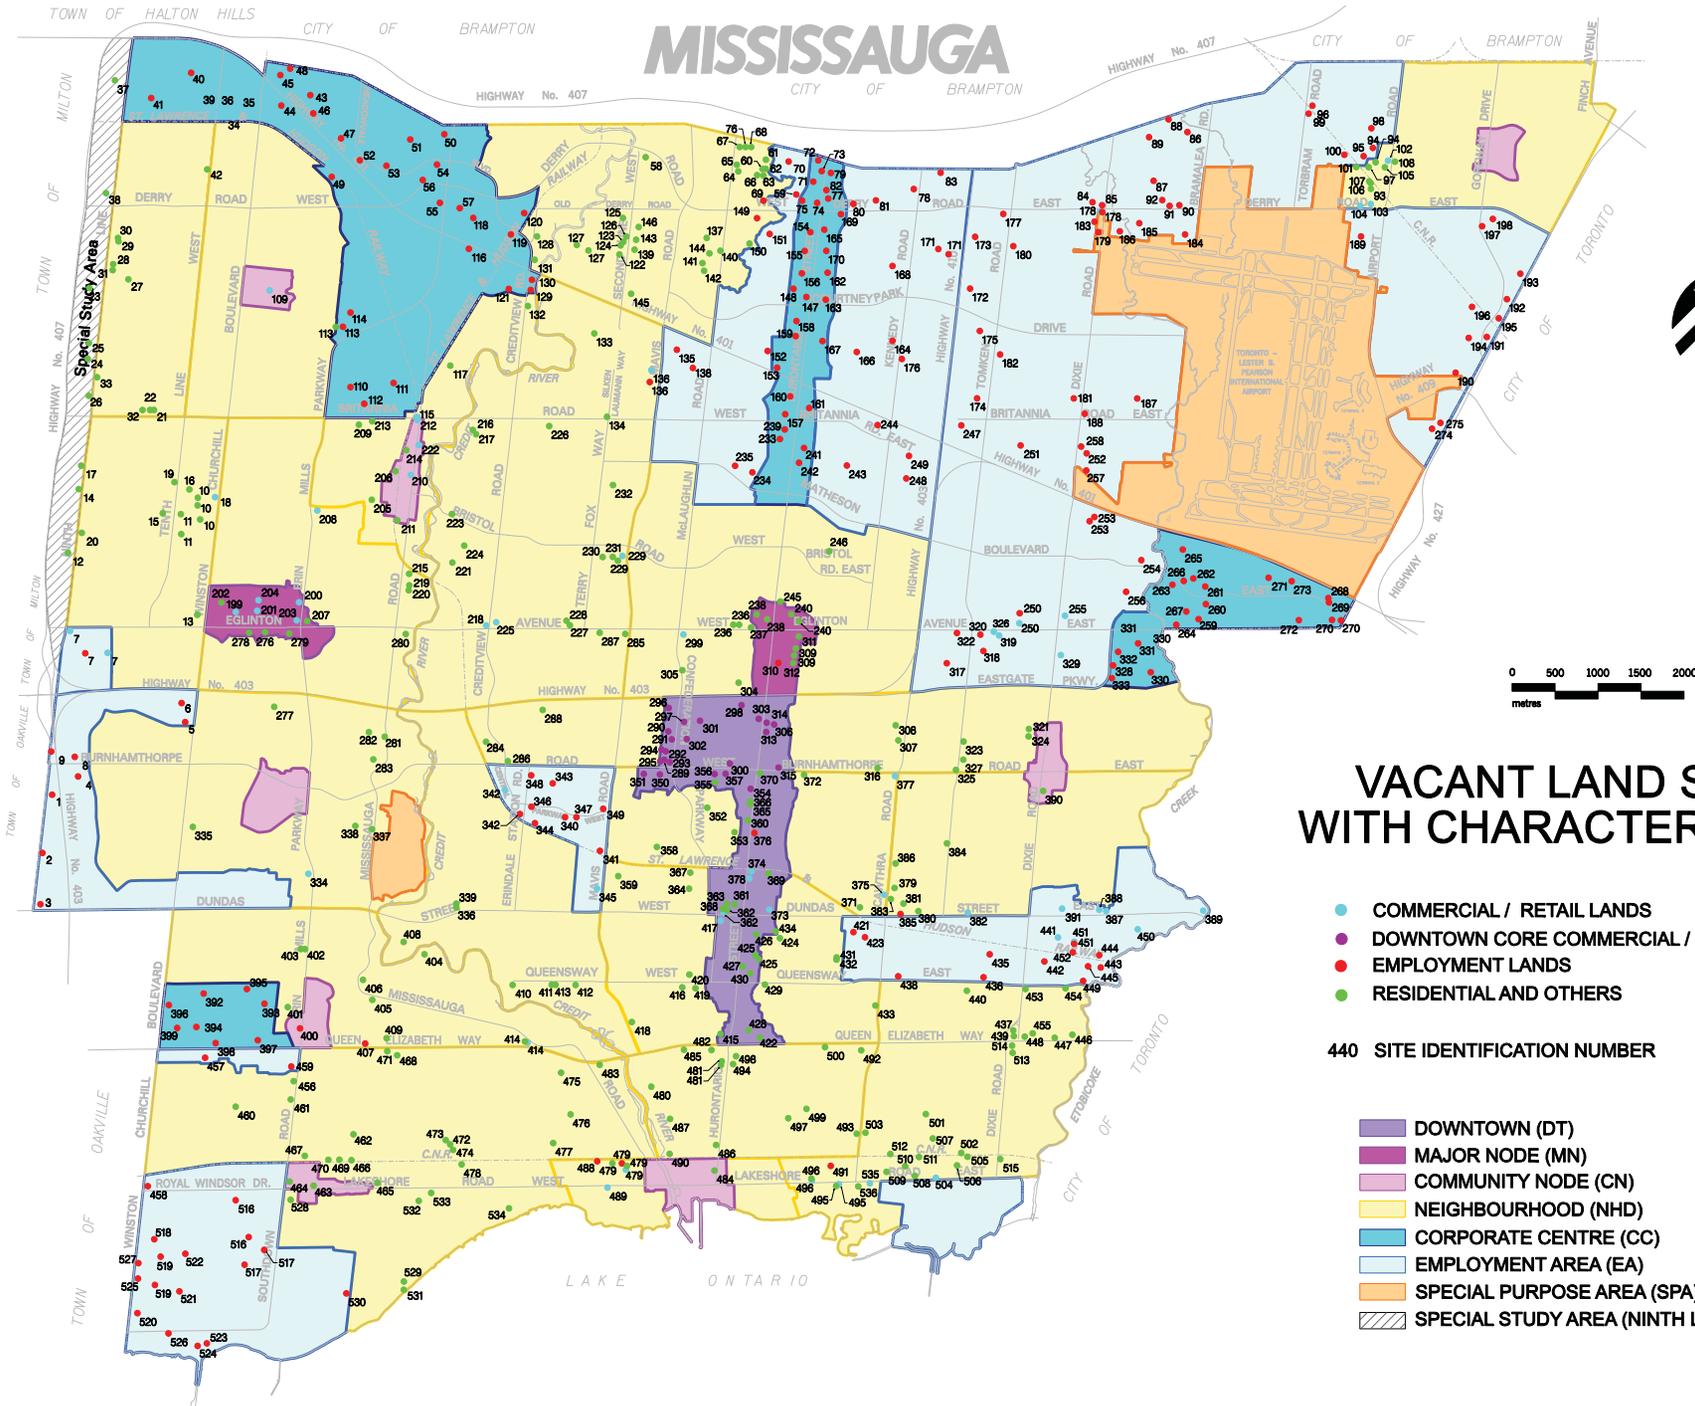

The City Structure Elements with the largest amounts of vacant land are Employment Areas and Corporate Centres. The combined area of vacant lands located in these Elements is 973 hectares (2,403 acres) which represents 74% of the total vacant lands in the city.

Proportions of the vacant land area and total land area are the highest in the Special Study Area (25.5%), Major Node (20.1%) and Corporate Centre (18.5%).

Map 2 shows vacant land sites by Character Area.

The breakdown of vacant lands area by each Character Area is presented in Table 5.

7.0 VACANT LANDS WITH DEVELOPMENT APPLICATIONS

Some vacant sites are currently subject to a development proposal. As of January 2011, development applications have been submitted to the City of Mississauga for part of, or whole of 85 vacant sites, which accounts for approximately 16% of the total 536 vacant sites throughout the city.

The total area of vacant land with a development application submitted is 369 hectares (911 acres). These vacant sites have been included in the report because for the majority of them, the development application has yet to be approved and development has not yet commenced.

Figure 5 illustrates the percentage distribution of vacant lands area, for sites under development applications and with no applications.

8.0 VACANT LANDS SITE INFORMATION

A complete list of all vacant sites sorted by ID number is included in Appendix 3 of this report. A table with the complete list of all vacant sites, information on Character Areas and Ward numbers is included. The table provides an identification number (Site ID) assigned to each vacant site. Vacant sites may comprise of multiple adjacent parcels. The table also includes information on site size, land use designation (old and new) and zoning.

Information has also been included on the area of the site which is within an environmental area identified in the City's Natural Area Survey (NAS), where it is applicable. This area has been provided separately to indicate how much of the vacant parcel(s) is subject to the Mississauga Plan environment policies and potential development restrictions. The NAS area is the area of the portion of vacant site that is occupied by NAS.

For all sites that are subject to a development proposal, general information on the type of development application is provided (i.e. official plan amendment, rezoning, subdivision or site plan).

Two maps with the location of vacant sites are included within this report. The vacant sites on these maps (including the interactive map) are grouped into four categories and labelled by site ID numbers. The vacant sites categories include:

- Employment Lands,
- Commercial / Retail Lands,
- Downtown Mixed Use / Core Commercial Lands, and
- Residential / Others Lands.

All of this information on vacant land sites is also available on-line at www.mississauga.ca/data in a KML format.

Detailed description of each data attribute provided is presented in Table 8.

Attribute	Description
Site ID	A unique number assigned to each vacant site.
Area (ha)	The vacant site area in hectares. For vacant sites that include multiple parcels, the site area is the sum of vacant land that is occupied within these parcels.
Area (acre)	The vacant site area in acres. For vacant sites that include multiple parcels, the site area is the sum of vacant land that is occupied within these parcels.
Character Area	As provided by the proposed new Mississauga Official Plan adopted by City Council on September 29, 2010. Instead of planning districts the city is organized into functional areas called "Character Areas".
Ward	Number of a municipal Ward.
OP Designation (Old)	Land use designation as provided by the Mississauga Plan.
OP Designation (New)	Land use designation as provided by the proposed new Mississauga Official Plan adopted by City Council on September 29, 2010.
Zoning	Zoning category as per By-law 0225-2007.
NAS (ha)	The NAS area in hectares is the amount of land which is a part of an environmental area identified in the City's 2009 Natural Areas Survey. The NAS area is the area of the portion of vacant site that is occupied by NAS.
NAS (acre)	The NAS area in acres is the amount of land which is a part of an environmental area identified in the City's 2009 Natural Areas Survey. The NAS area is the area of the portion of vacant site that is occupied by NAS.
Development Application	If development applications have been submitted for a part of, or whole vacant site, information on the application type and year of submission are provided. Development applications abbreviations: OP - Official Plan Amendment, OZ - Rezoning, T - Subdivision, SP - Site Plan.

In addition to all data attributes provided in the printed version of this report, the KML digital version includes extended attributes. These attributes are listed in Table 8a.

Attribute	Description
Fire Station	Number of the closest fire station to the vacant site calculated as the crow flies. This has been created for Economic Development Purposes.
Distance to FS (m)	Distance in metres from each vacant site to the nearest Fire Station.
Hwy Interchange	Name of the closest highway interchange to the vacant site calculated as the crow flies. This has been created for Economic Development Purposes.
Distance to HI (m)	Distance in metres from each vacant site to the nearest Highway Interchange.
Bus Stop	Name of the closest bus stop to the vacant site calculated as the crow flies. This has been created for Economic Development Purposes.
Distance to BS (m)	Distance in metres from each vacant site to the nearest Bus Stop.
Pin Number	Pin numbers for each parcel included in the vacant site.
Roll Number	Roll numbers for each parcel included in the vacant site.
City Owned Parcel	For each parcel included in the vacant site: Yes - if the parcel is owned by City of Mississauga, No - if other ownership.

APPENDIX 1: CHANGES TO CITY STRUCTURE

Through the Official Plan Review process, the proposed new Mississauga Official Plan adopted by City Council on September 29, 2010 replaced the previous “Mississauga Plan”. Plan is now with the Region of Peel awaiting approval. The new Official Plan modifies the city structure. Instead of planning districts the city is organized into functional areas called “Character Areas”. The new City Structure helps to establish the framework for planning policies that will guide development.

The new City Structure includes the following elements:

- Downtown (DT);
- Major Nodes (MN);
- Community Nodes (CN);
- Corporate Centres (CC);
- Neighbourhoods (NHD);
- Employment Areas (EA); and
- Special Purpose Areas (SPA).

Detailed breakdown of character areas is shown in Table 8.

Type of Element	Name of Character Areas
Downtown (DT)	DT Cooksville, DT Core, DT Fairview, DT Hospital
Major Nodes (MN)	Central Erin Mills MN, Uptown MN
Community Nodes (CN)⁽²⁾	Clarkson Village CN, Malton CN, Meadowvale CN, Port Credit CN, Rathwood-Applewood CN, Sheridan CN, Rathwood-Applewood CN, Sheridan CN, South Common CN, Streetsville CN
Corporate Centres (CC)	Airport CC, Gateway CC, Meadowvale Business Park CC, Sheridan Park CC
Neighbourhoods (NHD)	Applewood NHD, Central Erin Mills NHD, Churchill Meadows NHD, Clarkson - Lorne Park NHD, Cooksville NHD (East), Cooksville NHD (West), Creditview NHD, East Credit NHD, Erin Mills NHD, Erindale NHD, Fairview NHD, Hurontario NHD, Lakeview NHD, Lisgar NHD, Malton NHD, Meadowvale NHD, Meadowvale Village NHD, Mineola NHD, Mississauga Valleys NHD, Port Credit NHD (East), Port Credit NHD (West), Rathwood NHD, Sheridan NHD, Streetsville NHD
Employment Areas (EA)	Churchill Meadows EA, Clarkson EA, Dixie EA, Gateway EA (East), Gateway EA (West), Lakeview EA, Mavis-Erindale EA, Northeast EA (East), Northeast EA (West), Southdown EA, Western Business Park EA
Special Purpose Areas (SPA)	University of Toronto Mississauga SPA, Airport SPA

(1) Schedule 9 of the proposed new Mississauga Official Plan provides details to the City Structure.

(2) The Dixie/Dundas CN and Lakeview CN are not included in this report, as their boundaries have not been finalized.

Lands on the west side of Ninth Line, formerly within the Town of Milton, are referred to as a Special Study Area in Mississauga Official Plan. These lands became part of the City of Mississauga in January 2010 and will be the subject of a land use study review, to determine among other matters, Character Areas. Vacant sites located in the Special Study Area are included in this report.

APPENDIX 2: CHANGES TO LAND USE DESIGNATION

Land use designation was a principle factor in the selection of vacant lands for this report. Throughout the review of the Official Plan, new terminologies to some designations have been provided.

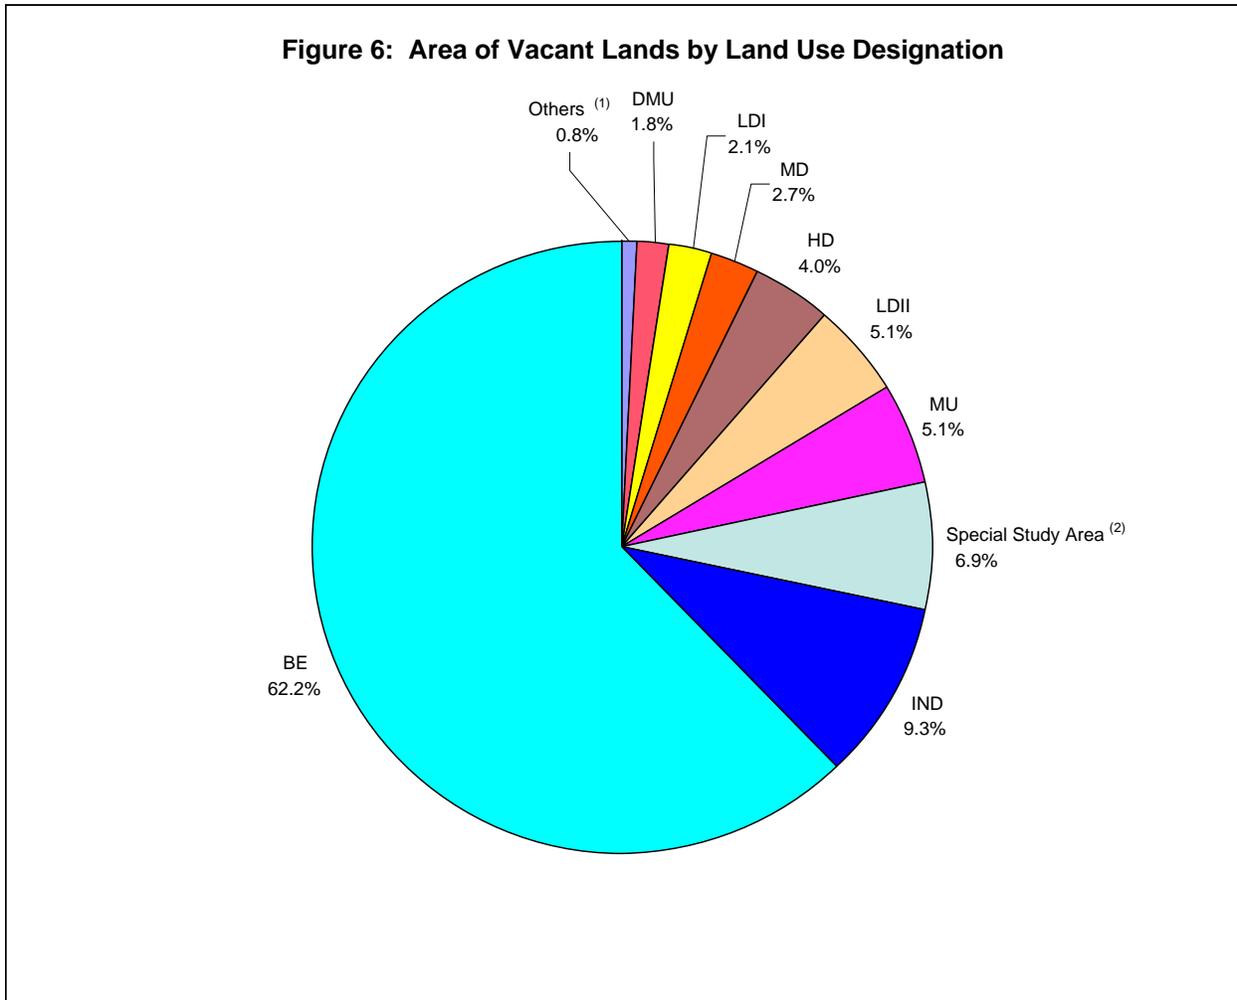

Changes to land use designation for vacant sites included in this report are shown in Table 9.

Old Designation by Mississauga Plan		New Designation by Mississauga Official Plan⁽²⁾	
Abbreviation	Description	Abbreviation	Description
BE	Business Employment	BE	Business Employment
CC	Convenience Retail Commercial	CC	Convenience Commercial
GC	General Retail Commercial	MU	Mixed Use
MC	Mainstreet Retail Commercial		
HDI	Residential - High Density I	HD	Residential - High Density
HDII	Residential - High Density II		
IND	Industrial	IND	Industrial
INST	Institutional	INST	Institutional
LDI	Residential - Low Density I	LDI	Residential - Low Density I
LDII	Residential - Low Density II	LDII	Residential - Low Density II
MDI	Residential - Medium Density I	MD	Residential - Medium Density
MDII	Residential - Medium Density II		
MDIII	Residential - Medium Density III		
MU	Mixed Use	DMU	Downtown Mixed Use
MVC	Motor Vehicle Commercial	MVC	Motor Vehicle Commercial
O	Office	O	Office
R	Retail Core Commercial	DCC	Downtown Core Commercial

(1) Table presents land use designations associated with vacant sites included in the report. Designations excluded: AIR (Airport), G (Greenbelt), OS (Public Open Space), PBW (Parkway Belt Space), POS (Private Open Space), UT (Utilities).

(2) Schedule 10 of the proposed new Mississauga Official Plan provides details to the Land Use Designations within the City.

Figure 6 illustrates the percentage distribution of vacant lands in the City of Mississauga by the land use designation

(1) Others include: DCC - Downtown Core Commercial, O – Office, CC – Convenience Commercial, MVC – Motor Vehicle Commercial.

(2) To find information on the land use designation for lands included in the Special Study Area refer to the Official Plan of the Town of Milton.

(1) Official Plan Abbreviations are provided in Table 9 on page 24 of this report and for lands in the Special Study Area refer to the Town of Milton Official Plan.

(2) NAS means the amount of land which is part of an environmental area identified in the City's Natural Areas Survey. The NAS figures do not cover sites that fall within the Special Study Area. The City plans to survey this area and report on NAS findings in subsequent years.

(3) Development Application Abbreviations note: OP - Official Plan Amendment, OZ - Rezoning, T - Subdivision, SP - Site Plan.
